

MEGAN DOBSTAFF, IIDA, CID, LEED GA

Design Director + Senior Associate at Gensler

Megan's career has been broadly focused across industry & location, with extensive experience in workplace strategy and design for creative class clients around the world. As a Design Director in Gensler's London office, she leads with her unique creativity and passion for storytelling which has garnered her opportunities to design for some of the world's most iconic companies and brands, such as Netflix, Google, Amazon, Warner Music, Adidas, Etsy, Campari, and Virgin Media.

Megan has been the recipient of a HIP Person Award and a Best of Year Project Award – both from Interior Design Magazine, and her work has been published in the magazine on numerous occasions.

She holds a Bachelor of Science in Interior Design from the Wentworth Institute of Technology in Boston Massachusetts which led her straight to Gensler upon graduation and she has spent the entirety of her 13-year career with the firm being involved with IIDA in Boston, New York City, and now London United Kingdom.
