WELCOME: A LETTER FROM OUR PRESIDENT

As we look ahead to 2026, I'm honored to serve as President of the IIDA Ohio Kentucky Chapter and to share our vision for another impactful year. Our chapter continues to lead among the 32 IIDA chapters nationwide, and we are proud to celebrate our growth, innovation, and advocacy for the interior design profession.

This fall, we will host our third **Chapter-wide Design Awards** and second **Chapter-wide Student Conference**, both taking place in **Cleveland**. These signature events bring together professionals, students, and industry partners from across our two states to celebrate design excellence, foster meaningful connections, and invest in the future of our profession. These gatherings are more than celebrations; they are platforms for education, inspiration, and advocacy.

Our city center directors and volunteer boards have been working diligently to reimagine event formats and sponsorship opportunities. Their goal is to ensure that our benefactors receive greater visibility, deeper engagement, and more meaningful impact. From new networking formats to expanded educational offerings, we are creating experiences that benefit both our members and our supporters.

Advocacy remains a cornerstone of our mission. In 2026, we will continue our legislative efforts in Ohio as the new session unfolds, building on the momentum of the Interior Design Consortium, a national alliance between IIDA, ASID, and CIDQ. We are also exploring expanded legislative efforts in Kentucky, recognizing the importance of professional recognition and regulation across both states. Every city center event will include a component that supports and promotes our advocacy work, ensuring that our entire chapter is aligned in advancing the profession.

With over 60 programs and events annually and a membership of more than 650 designers, our chapter thrives because of the generous support of our benefactors. Your contributions help us finance and promote the profession, empower emerging talent, and advocate for the value of interior design in our communities. As we prepare for another exciting year, we invite you to continue your support of the IIDA Ohio Kentucky Chapter. Your partnership is essential to our success, and we are deeply grateful for the role you play in shaping the future of design.

Thank you for your continued support,

Samantha Bonner
