WELCOME: A LETTER FROM OUR PRESIDENT

The IIDA Ohio Kentucky Chapter truly stands out among the 32 IIDA chapters. We pride ourselves on delivering ambitious programming that ensures our members benefit from CEUs, building tours, and a variety of creative engagement opportunities in their cities. Additionally, we offer high-quality events at the chapter level, such as our Friday Forums, Thrive Roundtable, and new for 2024: our Mentorship Connection Program, and the addition of Student Conference to our Chapter wide Design Awards slate of programming.

I am immensely proud of our volunteers, benefactors, and members for what we accomplish together. It's especially gratifying to be the only chapter to have won the IIDA Chapter Changemaker Award for six consecutive years. We have been recognized for Friday Forum, our Communication initiatives, Get Connected, Thrive, Chapter Design Awards, and our Enrich Fund Program. Our commitment has not gone unnoticed; we are consistently recognized by headquarters and looked to as a model for other chapters.

With over 60 events and programs each year, our more than 650 members clearly feel the impact of our initiatives aimed at fostering connection, networking, education, and advocacy.

None of this would be possible without the generous support and engagement of our chapter benefactors. Your contributions are vital to our success, and many of you go above and beyond by volunteering for committees, inviting designers to events, and advocating for membership participation within your companies and practices.

2025 looks to be another exciting year for the chapter. We will return to our city center hosted design awards programs and signature events. iDesign in Cleveland Akron, CIDA in Columbus, The Gallery in Cincinnati/Dayton and Kentucky Design Awards in Louisville/Lexington, and Boat Cruise in Toledo.

We are looking to start a Campus Center leader retreat to bring the student leaders of our 10 campus centers together. And most importantly, we will renew our legislative efforts as Ohio begins a new session early next year, building on the progress nationally of the Interior Design Consortium formed by IIDA, ASID, and CIDQ.

Our success and momentum is in large part due to the support that our benefactors provide for us. We once again ask for your financial support of our chapter. As we enter into the 30th anniversary of the Ohio Kentucky Chapter, we hope that you will join in making this year another smashing success.

Thank you all,

Megan Mershman
